User Stories

User Story 1 :- As a user, I would like to perform basic arithmetic operations in the calculator so that I can see the results(Multiplication, addition, division, subtraction).

User Story 2 :- As a user, I would like to have Liouville's constant button/key(Whenever the constant key is pressed, it asks the user to enter the number for which the user would like to see the liouville's number generated).

User Story 3 :- As a user, I would like to have a natural logarithmic key which calculates and displays the natural log value of input given/number.

User Story 4:- As a user, I would like to have a history button so that it keeps a track of the values it displayed previoously.
